**THOUGHTS**

Love is the most important character trait a believer can ever show. Our love announces who we follow, it attracts others to Christ, and most importantly of all, it brings glory to God.

**Thought #1** – To love others has eternal value. When we do not love, we fail to fulfill the command and calling of Christ. Am I a loving person?

**Thought #2** – One of the evidences of growth is that we manifest the fruit of the Spirit. Love is a fruit of the Spirit. If I do not love, I am not growing. Can people see evidence of my growth?

**Thought #3** – We are to be those who walk in faith and hope, but most of all, we walk in love. To understand love we must be in the Word of God. We cannot live the love of Christ if we do not know it. Will I seek to understand the love of Christ through His Word?

**Review of Last Week**

- Peace begins with faith in Christ.
- A heart that is troubled and afraid can never know peace.
- Faith is the ultimate source of peace.
- Trust Jesus, give your burdens to Him, and you will have peace.
