(11) *The Fulfilling of \_\_\_\_\_ and Summing up of All Things*

To sum up:

(1) God's revealed purpose in all things is to \_\_\_\_\_.

(2) God's \_\_\_\_\_ serve this purpose.

(3) Creation is identified as a \_\_\_\_\_ and foundational work upon which the other works to some degree \_\_\_\_\_.

(4) If the literal six-day creation account is \_\_\_\_\_, the necessary result is that the other \_\_\_\_\_ of God must likewise be denied.

(5) If His works are denied, His worthiness and glory are denied, ultimately exalting the \_\_\_\_\_ (i.e. man) and thus accomplishing Satan's deceptive plan ([Gen. 3:1-6](#)).

However if we acknowledge His works, we will recognize His worthiness to be \_\_\_\_\_ ([Rev. 4:8-11](#))
